**2:45-3:00 Break**

**3:00-3:45      Sub-group discussions**

- Group I**—Transition from High School to College [Morris, Baloun, Venhuizen, Nicolay, Duncan, Waara] - **Rushmore Rooms**
- What steps can be taken to strengthen the preparation of students in high school for post-secondary education?
  - Can remedial education be reduced or eliminated in post-secondary institutions? If so, what can make this happen?
  - What can be done to improve the retention of students in high schools and colleges?
  -

- Group II**—Teacher Education [Hansen, Pagones, Johnson, Fouberg, Broome, Gowen] - **Hoy A&B**
- What does South Dakota need to do to address the following national issues?
  - Teacher retention
  - Mentoring
  - Assessment based on standards
  - Professional development for administrators, teachers and paraprofessionals
  - Alternative paths to certification

**Group III**—PK-20 Connections [Jewett, Krogman, Belatti, Everist, Porch, Hoyt] - **Frank A&B**

- If established, what would be the role and charge for a PK-20 Council for South Dakota?
- Who should be involved?
- How would its governance work?

3:30-4:30      Report on discussions of sub-groups - **Rushmore Rooms**

4:30            Closing comments
